FOR IMMEDIATE RELEASE

The Security Title Guarantee Corporation is proud to celebrate 70 years in business

BALTIMORE – Feb. 11, 2022 – The real estate title insurance business has changed greatly over the last seven decades, but one thing has remained constant. Through it all, the [Security Title Guarantee Corporation](#) has been committed to being a true underwriter partner for its agents since 1952.

How exactly to fulfill that role has of course evolved over the last 70 years– just think about the previous two, for example – but the company’s dedication has remained the same.

“We are very proud of our history and will certainly take time to celebrate this important milestone throughout the year,” said Brian N. Rogers, Security Title’s Senior Vice President. “However, our focus is on the shared future of our company and our agents. We’re here for anything they need in 2022 and beyond. We know we can only be successful when our agents are successful.”

Its most recent year, 2021, was one of the best in the company’s history as Security Title continued one of its strongest financial runs ever. In addition, the proud Baltimore-area company moved into a new headquarters in Maryland’s Anne Arundel County last year. The office’s address is 1099 Winterson Road in Linthicum.

Today, Security Title is licensed to underwrite commercial and residential real estate title insurance policies in 15 states and serves more than 500 title agents across the Northeast, Mid-Atlantic and the South. Being a strong regional partner as opposed to an entity only focused on growth and customer-count has always been important to the company, which has been owned and operated by members of the Rogers family since it was established by William C. Rogers and a group of partners from the Baltimore area, which included his son, William C. (Bill) Rogers Jr. Bill Rogers was also one of the founders and former President of the American College of Mortgage Attorneys. Bill Rogers served as the President of Security Title from 1970 through 1989.

“We are large enough to provide everything our agents need but have always prided ourselves on providing an unmatched level of personal service and financial stability to them, as well,” Brian Rogers said. “Even as we grew over the years, the importance of connections and relationships remained – and is to this day – paramount for our entire team.”

The entire Security Title team takes pride in providing an unmatched level of personalized service when it comes to underwriting expertise, educational tools and opportunities. Security Title is also a proud member of the American Land Title Association (ALTA) and numerous state land title associations. It also boasts one of the highest ratios of surplus and reserves to policy claim losses.
